THE ANNUAL STAFF

Presents

THE
WILD CAT

Dedication

We, the Annual Staff of 1965, respectfully dedicate our yearbook, to our parents and parents everywhere who in co-operation with teachers and administrators lay the foundation for our future life through guidance and sacrifice.

May we prove worthy to you, dear parents, of your devotion and contributions, and may we come to realize that any success that we may encounter in life, may be attributed to your efforts.

Dear Vicki,

Well, old faithful Cousin, the day is almost here when we will each go our separate ways in life to face the world forever. I hope that life will always be good to you and that every thing you have ever wanted & have hoped to have will always be yours. I will never forget you and the many things we have done together. They were both bad & good, but whatever they were, they were alot of great kicks.

During our younger days we were practically raised like sisters. We have always been close. Now that we will soon be miles apart, I hope that those many miles will not interfere with our relationship.

Vic, I will never forget all the things you have done for me. Thanks for being such a true friend. Always remember me and all the little talks we have had. I hope I have helped you as much as you have helped me.

I know that you have what it takes to be a success in life. So Vic, try real hard and I know you will make it!

Thanks, also, Vic, for providing me with such a good shoulder to cry on. (God knows I used it enough)

Well, cuz, I guess this is the end of the line. Best of everything every path of life has to offer. You are one girl who really and truly deserves it. You are so sweet & pretty, I sincerely hope you are never ever hurt.

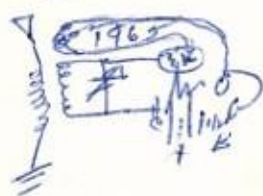

God Bless you & May He Grant you all that your heart desires.

I hope I see the day when you become Mrs. Daniel Scuzzarwé I'm sure that day is not far off

Love & Prayers,
Jay

Vicki,

Here's wishing my best friend and fellow dater the best of luck, love, and happiness in the years to come. Vick, it's been fun while it lasted and I hope it can continue even though you will be leaving for good. I know it will be hard for us to communicate through the next two years since you will be studying hard and trying to become an X-ray tech. Vick, I've really had fun this past year double dating and its you and Daniel I have to thank for it especially for getting us together. So "Thanks for everything." If it wasn't for yours and Daniel's car it never could of been. Best of luck for you and Daniel because I know his the one for you and you for him. You and Daniel make the coolest couple and I know it could last. (You know what)

Well, Vick, that time is coming closer and closer and soon May 27, 1965 will be here and

you won't, but just remember Vicki your leaving behind 5 great years of friendship and memories that I will never forget. I just hope next year will be one to remember as you have made the past ones for me. Be Good and just a little extra for me cause I'll be down here in Aguilar just as mean as usual. See you when you graduate and don't forget to cry just a little. O.K.

Well, I'm gonna miss you, and miss you, and miss you. Bye Again.

Love and Never Forget
Lanna
